

WHERE TO BUY LOCAL

Objective: The goal of this activity is to find local sources for produce and agriculture products. Use the websites and other resources listed below to identify a minimum of three farms, CSAs, or markets that can provide produce or agriculture products within a 100 mile radius of where you live. List the name, location, and phone number or website for each farm, CSA, or farmer's market.

Websites and Other Resources:

- www.localharvest.org
- <http://www.ncfarmfresh.com/farms.asp>
- <http://www.toxicfreenc.org/involved/actionalerts/csa.html>
- <http://knowwhereyourfoodcomesfrom.com/>
- Your Local Extension Office: Speak with your agriculture teacher in order to contact your local office or search online for your county office through <http://www.ces.ncsu.edu/>
