Stipend Information and Schedule of Payments

Stipend Stipulations

Kenan Fellows will receive a stipend for the Fellow's professional time and development of a fellowship product. Stipend payments are contingent upon completion of Program benchmarks. You will receive \$3,000 at the start of the fellowship (June) and the remaining \$2,000 at the conclusion of the fellowship year (May).

Attendance

Kenan Fellows are required to attend the internship, Summer, Fall, Spring Institutes, and to deliver a final product to receive full stipend payment. You will be asked to sign in and out each day of the institutes. If you must miss or leave early from any portion of the institutes for any reason, your May 2023 stipend payment will be adjusted to reflect your absence at a rate of \$30 for each hour missed. We plan and in many cases pay for all aspects of the institutes in advance and need to ensure that no investment is lost. Each Fellow is responsible for arranging substitute pay with their school and/or district. **Invoices sent to the Kenan Fellows Program will not be processed.**

I also understand that University's funding agreements with third parties, including the United States Government, impose certain obligations with respect to rights in inventions and works, and, when requested to do so by University, I will execute assignments or other documents necessary to comply with the terms of the funding agreements.

I understand that, unless otherwise specifically agreed in writing, I am entitled to a percentage of royalties received by University from the commercialization of my inventions, as set forth in the University's Patent and Tangible Research Policy, POL 10.00.01, as may be amended from time to time.

In consideration for being allowed by NC State to participate in the Kenan Fellows Program and its related activities, (including educational and recreational activities), (collectively hereinafter “Program”) the undersigned hereby agrees as follows:

I do hereby affirm and acknowledge that I am participating in the Program for my own personal benefit, and have been fully informed of the inherent and potential hazards and risks to me associated with participation in the Program and any physical exertion required therein. I understand and acknowledge that the inherent dangers and physical risks involved in the Program are such that no amount of care, caution, instruction or expertise can eliminate. These dangers and risks include, but are not limited to, loss or damage of personal property, broken bones, strains, sprains, bruises, heart attacks, heat exhaustion, concussions, and other personal injuries, or even death, that could result from tripping, falling, contact with other individuals, exposure to temperature extremes or inclement weather, sun hazards, equipment failure, and vehicle accidents while traveling to and from the Program’s sites. I assume responsibility for all risks, known and unknown, involved to me and my property in the aforementioned activities, and I am voluntarily participating in reliance upon my own judgment and knowledge of my experience and capabilities.

I understand that the determination of my ability to participate in the Program should be made by my physician if necessary. I understand that I need the approval of a physician if I am uncertain as to my physical fitness for the rigors of any Program activities.

I shall indemnify and hold harmless NC State, its trustees, officers, employees and agents from any liability, losses, costs, damages, claims or causes of action of any kind or nature whatsoever, and expenses, including attorney’s fees, arising from or proximately caused by my participation in the Program, including any travel. I further agree to accept and assume for myself, my assigns, executors, and heirs any and all such risks and losses that may occur.

I have read the Program’s rules and procedures and hereby accept the rules and procedures of the Program described therein. I understand that the Program has the authority to establish and enforce other rules and procedures in addition to these.

I further agree that this agreement shall be governed by and interpreted in accordance with the laws of the State of North Carolina. The terms of this agreement are severable such that if one or more provisions are declared illegal, void or unenforceable, the remainder of the provisions shall continue to be valid, enforceable, and binding upon the parties.

I understand that this is a legal document which is binding on me, my heirs and assigns and on those who may claim by or through me. I am eighteen years of age or older, and have full capacity to enter into this agreement and do so voluntarily.

I HAVE READ THIS AGREEMENT, I UNDERSTAND IT AND I AGREE TO BE BOUND BY IT.
