

STEMwork Sprint

STEMwork Sprint, an initiative of the Kenan Fellows Program for Teacher Leadership at NC State, is an online professional development course that supports you as a K-12 educator on your journey to establishing and sustaining education/business partnerships with local STEM employers and provides you with a framework for taking those partnerships into the classroom through project-based learning (PBL).

Program Benefits

8 CEUs (5 content, 2 digital competencies, and 1 literacy) are recommended by the NC Department of Public Instruction and the Kenan Fellows Program

Skills to develop and maintain meaningful connections with local business and industry leaders

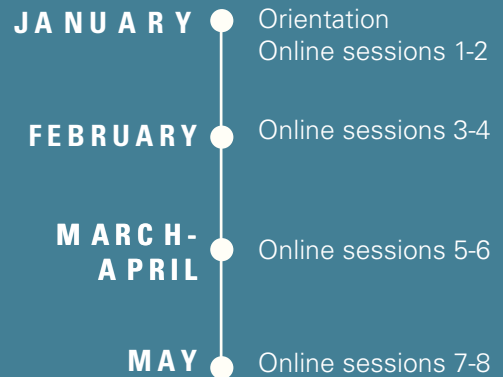

Trained facilitator who will provide feedback throughout the course

Interactive and engaging course that utilizes videos, e-learning tools, and infographics

Commitment

The course requires an average of 5 hours a month to complete the 8 modules from January to May. The cost is \$500 per person.

“ Because of STEMwork, I have grown as an educator and now have a deeper understanding of how to structure a PBL unit so I can make learning more relevant and meaningful for my students.

—STEMwork Scholar
