

STEMwork

STEMwork is a professional development course by the Kenan Fellows Program for Teacher Leadership at NC State which offers a flexible learning experience with a choice of blended sessions (in-person and online) or fully online.

This sheet will help you identify the differences between the fully online and the blended courses, so you can choose the one that works best for you.

STEMwork Comparison Chart	Blended (\$10,000 - 1 year)	Sprint (\$500 per individual - semester course)
